COMPARISON

Why do you Need PushLeopard?

Improve Conversion Rate of your Store.

One of the main reasons of low conversion rate on any Shopify Store is '**Cart Abandonment**'

Online research has shown that web push notifications can increase conversion rate by more than 30% as compare to the other marketing streams.

With the **PUSHLEOPARD**, You will be able to recover more Abandoned Carts and turn the lost sales into purchases.

PUSHLEOPARD can let you send the smart abandoned cart reminders to the visitors on time so they can complete the purchases.

Increase Traffic and Brand Awareness

Another amazing thing about **PUSHLEOPARD** is that it let you directly market to unlimited subscribers of your store (even in **Basic Plan**).

Sending **SMART** web push notifications can help you caputre more of your store's traffic and can help you grow your brand awareness.

Price and Features Comparison

Analyze the statics of your campaigns and track the growth of your business on your e-merchants dashboard. We provide you with relevant insights into orders, campaigns, website activity, and more so you can make informed decisions and grow your business.
